

MENTOR COUPLE PROFILE

Thank you for your interest in becoming a mentor couple in the Victory Church Marriage Mentoring Ministry. Crucial to the success of the ministry is our ability to maintain as diverse a group of mentors as possible. Doing so increases the chance that after evaluating the needs of a mentee couple, we can give them a mentor couple who has navigated similar waters. In short, the better we know our mentor couples, the better we can do that. Therefore, you are requested to prayerfully and thoughtfully complete this profile and submit it as part of your application process. All information you provide will be held in strict confidence by Dave and Joyce Swiadek, Marriage Mentoring Directors, and pastoral staff.
