

PRISON MINISTRY CWBS ENROLLMENT

The Christian Worker Bible Study Series is an in depth series of studies that are sent and administered by Victory Church volunteers. This option is a Bible centric study and has up to 25 basic studies and an additional 57 more advanced studies. It is for the student who has a desire to dig a little deeper and invest a little more time.

How the CWBS program works...

1. The inmate/student asks prison ministry volunteer to be added to the CWBS program.
2. The volunteer then gathers the information and completes the online enrollment form. (*form link below*)
3. Victory Church processes the request and mails Bible study lessons to the student, one at a time.
4. The student completes the lessons and returns them to Victory Church for correction. Trained volunteer Instructors correct the lessons and return them to the student along with personal notes of encouragement. There is an average 1-2 week turn-a-round time.
5. The student is awarded a certificate when level one and two are successfully completed and given a brand new Study Bible.
6. **NOTE:** *This program is a bit more flexible with materials being "in house," so in some cases ministry workers may pick up or hand-deliver studies instead of mailing.*
