

I just wanted to say  
Thank you for all of your support and  
your prayers. I have already come along  
way, but I know that Nothing is possible  
without Jesus Christ. I Pray Everyday that  
God will change my taste buds take the  
addiction out of my life. for the first time  
in my life I am Reading my bible on  
a Regular bases and I feel it working  
on me Everyday. my vocabulary has changed  
Tremendously I don't even realize it sometimes  
but I find myself Praying myself to sleep.

I wake up Praying. I know I need  
Help and as long as I got god I am not  
alone... if possible I would like for  
you to mentor me... I know you have  
a lot on your plate but I feel we have  
a lot in common and your testimony  
has touched me. Because mine is  
Really close to yours.

Thank you for your time  
your prayers & most of all for Bringing  
The word of god with you.

Sincerely
