~~Robbie~~

Letter from Inmate to
one of Victory's Prison
Ministry workers

I want to start by saying what a mighty God we serve. God is so good to me everyday. I am still at Orlando BUT I should be moved within the next week or so. I go to the Chapel 3 times a day and I am in the Chapel ~~band~~ band. I play guitar for the Chapel. I wish I could stay here but it's all in God's Hands. I surrender all!

I want you to know that I love you very much and I am very proud to call you my friend. I will push! I will push with every- in me I am not just a dot on the page of paper God shows me more and more everyday.

When I first got here I got caught up in my old ways ~~hanging~~ hanging around skin heads and I remembered I don't want that life back and I told them

Pg. 2

you have been on the right
Path for what 25 years now
and your journey is just Begin
How is your schooling going?
are you Done yet. I'm sure
you did well! I am going back
to school to get my Geol.
and I will take a vocation
I don't know what yet but when
I come out of here I will
be a Brand new Man. Ready
to give God my All. I want
to be a good daddy to my
kids. I know that my
Testimony will change Peoples
Lives. ESP. someone who
new me from my Past! they can
see I'm not the same Pe.
I don't talk the way they do I do
think about the same things anymore
Today is my one year

that. I got jumped but I'm
 ok. There is a better way
 to live. I will never go
 back to that old life. People
 walk around talking about dope
 what they're going to do when they
 get out. it's so sad. I don't
 want to hear it so I stay in
 my room as much as possible. I
 promise you ~~that~~ I will never
 do drugs again. Ever! God has
 a plan that is amazing. I don't
 know what it is yet but I will
 walk this thing out with Him. He
 will provide everything I need,
 and I will succeed. I won't
 give up. My kids need me. I
 am so lucky God gave
 me another chance to get it right.
 Jeremiah 29:11 is what I put my
 trust in. I know my God
 will help me through this.

I got a letter from my
 Mom last night and she said if you
 call often to check on me,
 God's not done with you either ~~it~~

times are tough. Right now mom
hasn't been able to send me anything
and I understand it's not her
fault I'm here. She had to go to
the hospital last week cause
of her kidneys were bleeding. She
didn't go into detail but will you
please have the church
pray for my momma. I am worried
about her. I am going to
write out my testimony and send
it to you. Maybe God can
use me through you to help
someone else see how powerful He
is. He really is moving all my
mountains. Well he is giving me the
strength to climb them anyway and
that's better than moving them.

Thank you [redacted] for being such a
good friend. Your friendship
means more than you will ever
know. Tell everyone in faith base
to not give up and to push.

Tell [redacted] I love
him and keep his head up. I
will write his mom's soon.

Thank you for everything. [redacted]
