

## Faith Based Experience

### Letter to a Future Faith Based Inmate

By FG

I have to honestly say that my Polk County Faith based experience has been one that will be forever *ensketched* in my memory, my life, my heart, but most importantly, my soul. From the moment I set foot in this dorm it has been a roller coaster of emotional, spiritual and personal revelations that will forever define the man I'm becoming on a day by day basis. I just want to thank from the bottom of my heart; the brethren, the fellowship and all our Faith Based speakers for helping me develop an incredible relationship of trust, honor and respect for the first time in my life, with our Father, His Son and the Holy Spirit, that I, for one, will never let go. If you asked me today what is the greatest asset I will take with me from the program, my answer would without a doubt be, my faith. I truly understand what it means to let God handle all my affairs: from my family, my finances, and my life. Now I have peace and joy, knowing that the Lord has my back in everything that the enemy can throw at me because of my faith in Him

All I can say to future Faith Based students is this: if you come to Faith Based for the right reasons you're definitely going to get a lot out of this program, things like knowledge, experiences, friends, and salvation. And even if you don't come for the right reasons, and aren't really looking for God, I'll tell you this much, you're going to find Him. His presence in this dorm between the students, the speakers and the Scripture are too strong to deny Him of His glory. I've seen the meanest, toughest, men in here crumble to His grace, me being one of them, and I can only hope, He does for you what He has done for me. Thank you.
